

Sharing Hope and Help with One Another in Times of Need

2023 Community Impact

PROFILE AT A GLANCE

- More than 16,000 students are enrolled in 24 Dublin City Schools
- Dublin Schools consists of 47 square miles; 40% of students live outside the city
- The district's minority population of 33.4% trails only 5 large urban communities in Ohio
- 1,200 ELL (English as a second language) learners with 78 different spoken languages

People turn to us during unexpected challenges such as a sudden job loss, health crises, house fires, or other unforeseen challenges.

In-Kind Donations

*The Independent Sector sets the average value of a volunteer hour at \$31.80

Record Impact

Our job is simple: To help one another in times of need. With the help of the community, One Dublin met more needs in 2023 than any other year. Together we are creating a better, more hopeful future.

CHALLENGES

We aren't immune to the challenges facing our society today. In fact, many families right here in Dublin find themselves temporarily in need —from making sure their kids have what they need to a little help keeping a small crisis from becoming a big one.
